

## Hunting Rules

- Guns must be calibrated before going into the veld for the first time
- Only persons who have demonstrated sufficient shooting skill and accuracy to the satisfaction of the owner will be allowed to hunt
- Hunting is only allowed under the direct supervision of Mr Piet Jacobs and his instructions must be followed at all times
- Smallest calibre of gun allowed for larger antelopes (wildebeest, oryx, etc.) is a .270
- No hard point ammunition is allowed
- No hunting at night is allowed
- Nobody is allowed in the veld armed with a gun, without a supervisor, guide or tracker or the explicit approval of Mr Jacobs
- Children will only be allowed to hunt under the direct supervision of Mr Jacobs and a parent
- No alcoholic beverages may be consumed during a hunting session or may be given to a guide or tracker
- Hunters trying to bribe guides or trackers will be prosecuted
- Full payment is due for any animal that is wounded – i.e. lurching into the air; tumbling/falling to the ground and running away again; blood traces; pieces of bone; traces of digestive fluids
- If an animal is wounded, the hunter is obliged to try and find and kill the wounded animal and no other animals may be shot by the hunter until the wounded animal has been found and killed or is vouched for by Mr Jacobs
- In the event of a fire starting due to cigarettes or any other form of smoking, the person in whose name the reservation was made will be held responsible for any damages
- No shooting within the red-lined areas on the attached map
- No shooting directly towards the border fences marked in red on the attached map within a distance of 300 meters from the fence
- No shooting from vehicles
